

# College Bound?

**Now transcript requests are available online.**

**Want another trip to the office?**

**Didn't think so.**

If you're applying to college, you've already got plenty of forms to fill out. So here's how to avoid a few: Order your transcripts to Nebraska colleges online.

Through the Nebraska e-Transcript project, your school has joined forces with Docufide to bring you Secure Transcript<sup>™</sup> - the safe, paperless way to electronically send transcripts to the participating colleges you choose. It's easy, it's secure, and available 24/7.

We'll send out official transcripts checked and approved by your school, to the participating colleges you choose. We'll email you to confirm that they've gone out. And we'll even confirm when they receive them.

Secure Transcript makes applying to college a little easier – for your school, for your colleges, and for you. Thanks for using it, and good luck with your applications!
