

Standards Reporting Database

July 1, 2008 - June 30, 2009

This agreement is entered into by and between Educational Service Unit 10 (ESU 10), 76 Plaza Blvd., P.O. Box 850, Kearney, Nebraska 68848 and School District _____ located at _____ in _____ County of the state of Nebraska for the purpose of providing mutually agreed upon service and support for issues and items related to the Standards Reporting Database project.

In exchange for the dollar amount below, **ESU 10 agrees to:**

1. develop a standardized, web-accessible database which meets all current state requirements for the purpose of reporting Nebraska standards, assessments, and student performance on those assessments.
2. provide a secure server for data storage which will be backed-up on a regularly scheduled basis.
3. provide for encrypted data transmission via the web.
4. provide updates to the database as required by the state of Nebraska.
5. offer a half day of training for district teams made up of no less than three people.
6. offer a means to send data to NDE electronically.

School district agrees to be responsible for:

1. all data entry.
2. the accuracy and content of all data entered and stored on the database.
3. maintaining the security of the user/administrator passwords used within the district for purposes of accessing the database server.
4. generating and filing all appropriate reports as required by the state of Nebraska.

Standards Reporting Database Pricing Structure
