This three hour video is filled with information every parent or teacher of a child with Asperger's should know.
Pyramid Educational Consultants	Audio Reinforcement Reminder Tones		CD	Reinforcement	The Audio Reinforcement Reminder Tones (ARRT) can be used in a variety of ways. One use would be a teacher using the tones as reminder to "catch students being good" and making a positive remark each time a tone sounds. Another use for ARRT is to teach a student to monitor his own behavior by responding on a chart to a tone. Information about ARRT use accompanies the CD.
