Web Information: <http://www.studenttechs.org/techsvconf09>

Registration Site: <http://odie.esu10.org>

Representative Adrian Smith

Attorney General Jon Bruning

TECHS Virtual Conference

The TECHS Virtual conference hosted by ESU 10 has been organized to allow student teams a chance to participate in a technology conference via streamed medium.

The goals of the conference are to

- focus on technology issues of today and the future. Keynote presentations from Representative Adrian Smith, ranking Republican member of the Technology Innovation Committee and Attorney General Jon Bruning who supports both education and enforcement for internet safety in Nebraska will be featured in this segment.
- highlight technology topics of programming, networking, and web 2.0 through activities to inform and challenge participating students - see Featured Activities.
- honor TECHS teams for their 2008-09 projects.

All schools are invited to participate and are encouraged to register for the conference by Thursday, April 9. To register, go to <http://odie.esu10.org>

Featured Activities

- **Programming** - First steps in game building - Nate McClenahan and Adam Griebel
- **Web Network Analysis** - A statistical analysis of your web site and taking steps to make your site more effective - Brett Haffener
- **Web 2.0 Webinar** - Using Adobe Acrobat, a photo gathering and sharing tool will be demonstrated - Jason Everett
- **Blog** - A virtual conference blog will be built during the event and will serve as a post-conference resource - Deanna Stall
- **Other Conference Interactive Contests**
